

Light up the Night

Fraser Campbell © 2013

Intro: C#m-A-E-B

Verse 1:

C#m A E B/F#
We put them off, we lay them down
C#m A E/G# B
These burdens fade away, as You fill this place
C#m A E B/F#
We're moved by love, and we can't sit still
C#m A B
O Your joy is here...and this joy is real

Chorus:

C# A
Your love brings us to our feet
E B
You stir up music
C# A
Our songs, our beats and our dances
E B
They're all for you

Verse 2:

C#m A E B/F#
Your light shines bright, and we are changed
C#m A E/G# B
As it finds our hearts, we find your lovely face
C#m A E B/F#
We're overwhelmed by your glory and your grace
C#m A B
Oh this joy inside...o this joy divine

Bridge:

C#m	B/D#
We will light up the night	We will light up the darkness
E	F#m
We will light up the night	With Your light
C#m B/D#	E F#m
We will light up the night	We will light up the darkness
C#m B/D#	E F#m
We will light up the night	With Your light
