

Brilliant Streams

Fraser Campbell © 2013

Verse 1:

Em G Am
Take the pain, this life it stings but you can use it
Em G Am
Take me where I can stand and I can sing
 Em G Am
Where joy becomes more than I could ever make it
Em G Am
All this-darkness makes us fonder of the light

Chorus:

Em G Am
You are, You are glorious, brilliance streams from above
Em G D
We know, we know more of this is to come, is to come

Verse 2:

Em G Am
Radiant, your glory chases gloom away
Em G Am
Dazzling, your white light beats the darkness down
 Em G Am
To the wounds that cling, we sing a song of restoration
Em G Am
Despair despairs and hope comes rushing in

Bridge:

Em D Am G Em
Felled down, knees to the ground, I look up to see these lights
Em D Am G Em
These rays to my face, I am changed, I am changed
