

War in the Valley

Fraser Campbell © 2013

Verse 1

Gm

There is war in the valley, in the valley down below

Cm

And the war how it rages and wages for my soul

Gm

Cm

There is war in the valley, in the valley down below...down below... for my soul

Verse 2

There is war in the valley, in the valley down below

Now the dusk turns to darkness but the battle doesn't slow

There is war in the valley, in the valley down below...down below....

Chorus

D#

F

Let us remember love, let us remember hope,

Cm

Gm

Let us remember that we are spoken for

D#

F

Cm

A#

Gm

Let us remember love, let us remember hope

Verse 3

There is war in the valley, in the valley down below

As the courage starts to mount and the light begins to grow

There is war in the valley, in the valley down below...Down below...

Bridge

Gm

I'm free, I'm free and Your love pours down on me

D#

A#

I'm free, I'm free and Your love pours down on me x2

Verse 4

There is peace in the valley, in the valley down below

As the weapons lay forgotten and the roses start to grow

There is peace in the valley, in the valley down below...down below, in my soul
